Ensuring A Cleaner Future

BG Cleaning Systems has at its disposal almost two decades of professional experience in the cleaning industry. BG aims to provide a cleaner environment with its diversified cleaning systems, unique concepts, and its practice of high quality cleaning standards.

There is more to commercial cleaning than just cleaning. BG Cleaning Systems has developed multifaceted cleaning systems throughout the years for its varied clientele base in keeping with the current trends in the cleaning industry. Our full range of cleaning and facility management services include, among others, the following:

1. Janitorial Services

BG Cleaning Systems affords commercial cleaning systems for the following types of facilities:

- Small-, medium-, and large-sized companies
- Supermarkets
- Malls
- Restaurants
- Government institutions
- Private and public establishments
- Common Areas
- High-Traffic Places, and more!

2. Facility Management Services

BG Cleaning Systems offers facility management and grounds management services which include, among others, the following cleaning services:

- Picking up trash in the grounds or parking areas
- Window washing
- Cleaning of building facades/exteriors
- Waste disposal management
- Sweeping of parking areas and grounds
- Watering and maintenance of indoor or outdoor plants/greenery, and more!

3. Specialized Cleaning Services

BG Cleaning Systems takes care of special cleaning services such as:

- Hard Floor Care and Maintenance
- General Cleaning
- Carpet Cleaning
- Window Cleaning
- Wall and Ceiling Cleaning
- Industrial Cleaning
- ...and more.

We'll Be There For You

There is no denying the fact that running your own business entails a lot of hard work for you. However, you are doing it for yourself and the rewards of a BG Cleaning Systems franchise will be self-evident from day one.

We ensure that you are well equipped to start and grow your business. Comprehensive training, ongoing business support and a wide range of resources are available when you become the BG Cleaning Systems franchisee in your area. You will have a Franchise Manager to guide you.

You will also have the BG Cleaning Systems Operations Manual as your guide. It contains all the information and know-how to run your own BG franchise business successfully. This manual alone is worth the franchise fee. It is a treasure trove of information which will save you time and money. It gives you all the facts of the business without the fuss.

Our knowledge is based on around two decades of professional experience in the cleaning industry, with the highest cleaning standards from the cleanest country on earth - Iceland!

Our goal is to provide a worldwide quality system with an emphasis on high quality personalized service, customer satisfaction and professionalism.

We aim to foster a strong two-way relationship with all our Franchisees. We envision making the BG Cleaning Systems name synonymous with Excellence.

Achieve your dream. Be your own boss. Fulfill your potential. Reach your goal. Be on the Road to Success with BG Cleaning Systems!
